GENERAL ADMISSION TO SHOWS ONLY 10 CENTS.

HAS RESIGNED

As Superintendent of Hopkinsville Public Schools.

There will be several changes in the personnel of the Hopkinsville Public Schools this year. In addition

PROF. J. B. TAYLOR.

tion to the changes in the teachers in some of the grades heretofore announced, Prof. J. B. Taylor, the superintendent, tendered his resignation yesterday morning to take effect with the close of the school year, next Friday, June 2d.

Prof. Taylor has had charge of the city schools for three years and has thoroughly shown his ability to fill this highly important position. He has given perfect satisfaction to the patrons of the school and to the board of trustees. His re-election, we learn, was assured by the board, who used every effort to dissuade him from giving up our schools, but Prof. Taylor has had in his hands for some time several flattering propositions, and in justice to himself he has decided to go elsewhere. This decision will come somewhat as a surprise to the general public, but all will unite in the wish for a most successful career for Prof. Taylor.

We cheerfully commend him as one of the most competent men in his profession, a gentleman in every sense and worthy of the confidence of all.

In conversation with members of the school board we were told that steps will at once be taken to secure another person to fill the vacancy caused by Prof. Taylor's resignation.

WELL PLEASED

With Hopkinsville and May Locate Here.

Mr. H. A. Gardner, of Vincennes, Ind., spent Monday and Tuesday here looking around and forming the acquaintance of many of our business men. As stated in Tuesday's issue of the Kentuckian, Mr. Gardner is thinking of moving his furniture plant South. We are glad to say that he was much pleased with the way he was received here, and with some encouragement in way of our people taking stock in his enterprise will move to Hopkinsville and engage in the manufacture of folding beds and other things in the furniture line. Things like this should not be allowed to go elsewhere, for the manufacturing interests of Hopkinsville must be enlarged.

K. OF P. ELECT OFFICERS

To Serve for Ensuing Six Months.

Evergreen Lodge No. 38, Knights of Pythias, at their regular meeting Thursday night, elected the following officers to serve to Jan. 1, 1906: Ellis Roper, C. C.; J. W. Stowe, V. C.; C. W. Clark, P.; R. M. Tunks, M. of W.; W. C. Wright, K. of R. and S. and M. F.; G. H. Champlin, M. of E.; D. C. Carey, M. at A.; A. H. Towns, I. G.; W. W. Joslin, O. G. A committee was appointed, consisting of Messrs. Geo. E. Randle, G. H. Champlin, L. H. Davis, Fred C. Callard, W. D. Ennis, Ellis Roper and A. M. Coleman, to make preparations for the meeting of the Grand Lodge of Knights of Pythias in this city in October.

Six new petitions were presented for membership and after the business session was completed a social session was held and all the members

present were treated to ice cream and cake by the newly elected officers. The accompanying cut is a fair likeness of Mr. Ellis Roper, the new Chancellor Commander. Mr. Roper is very popular in lodge circles. He is also one of the most popular members of the fire department.

GREGORY—RIGGINS.

Christian County Boy Marries Tennessee Woman.

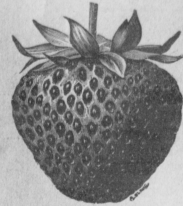

Mr. J. Gregory, a popular young man of near Howell, and Miss Mamie Riggins, daughter of Mr. W. G. Riggins, of Montgomery county, Tenn., were married last Tuesday night at New Providence. Rev. J. A. Garrett of the Baptist church, officiated.

The couple left at once for St. Louis, where the groom has an office position with a railroad company.

The Wrong Man.

In a recent issue this paper contained an article which stated that one Ed Whitlock, with several other men of his color, had been arrested by the Marshal of Gracery for shoot-craps and were to be tried before Judge Watkins. Whitlock was in the city yesterday and says that he never shot craps in his life, was raised in the home of Mr. Nick Salle, that he is a Sunday school man, a law-abiding citizen and that he now works with Mr. Tom Thomas. We always take pains to do the fair thing for everybody and cheerfully publish this to disabuse the minds of any of Whitlock's friends.

The Weather.

Washington, D. C., May 26.—For Kentucky: Saturday partly cloudy, with slightly rising temperature.

Oregon has adopted the whipping post for wife-beaters. The whipping is to be done inside the jail by the sheriff or a policeman.

Congressman Brownlow says he is earnest in his efforts to secure a new Southern state made out of eastern Kentucky and Tennessee and Western Virginia and North Carolina. It would be a dandy, with the Republicans in undisputed control. It would have to be first organized as a territory until its people were capable of self government. Cutting them loose from the states that hold them in subjection, would be the worst thing that could happen to the feudists and other lawless elements.

Howell News.

Howell, Ky., May 26.—Mr. Jas. Winfree, who operates a saw mill near here, had his hands to strike for a less number of hours work per day, on the 24th. Mr. Winfree has some large catches and a large job of sawing and had just got everything in running order.

Miss Gladys Massie, who visited Miss Tennie Clardy recently, left here for your city to spend several weeks and then return to her home in Texas.

Mr. Morton Embrey, who had been attending school in Bowling Green, spent several days at home and left yesterday to travel for some agency.

The recital given by the music pupils of Miss Barbara Adcock last Friday evening (19th) was highly entertaining and greatly enjoyed by the large crowd which was present.

Rev. E. H. Garrett, of Bethel College, recently visited his wife's home and preached at Olivet.

Mr. O. M. Wilson, who represents Forbes Mfg. Co. in this part of the land, is smiling and receiving congratulations over the arrival of a girl, which is called Frances Elliott.

Mrs. M. E. and E. C. Radford visited for a few days this week their sister, Mrs. Carter, near Pembroke.

NO DEBT ON HAND.

Six Hundred Dollars Raised
Wednesday Night.

Wednesday was a busy one with the South Kentucky Missionary and S. S. Association. When the body met here in its 21st annual session it owed an insignificant debt, incurred by assisting small churches to pay pastors' salaries, etc. The payment of this debt was provided for before the meeting of the association Wednesday night and several liberal contributions were made during the day.

Wednesday night the audience room was filled, every seat being occupied. The association was addressed by Rev. R. H. Crossfield, of Owensboro. This was one of the most powerful and earnest addresses delivered during the meetings of the association. His plea was for mission work in southern Kentucky. At the close of his address he called upon the audience for a contribution for missionary work in Southern Kentucky, embracing thirty-four counties. The call was most liberally responded to, over \$800 being paid and pledged for the above purpose during the coming year.

Wednesday the election of officers for 1905-6 came up, which resulted as follows:

President, Dr. J. W. Crenshaw, of Cadiz; Vice Pres.; Roger L. Clark of Mayfield; 2nd Vice Pres., T. T. Roberts, of Morganfield; Recording Secretary, W. G. Eldred, Fulton; Evangelistic Corresponding Secretary, W. J. Hudspeth, Hopkinsville.

EXECUTIVE COMMITTEE.

M. E. Webb, Trenton; H. D. Smith, Hopkinsville; R. H. Crossfield, Owensboro; J. W. Crenshaw, Cadiz; J. K. Boudurant, Paducah; Geo. C. Long, Hopkinsville; A. C. Kuykendall, Hopkinsville; W. H. Pinkerton, McCracken county; John W. Ligon, Corydon.

The sessions of the association closed Thursday night. Rev. H. W. Elliott, of Sulphur, Ky., delivered a fine address on "The Crime of the Twentieth Century," which was heard by a large audience.

The report of the committee on resolutions was adopted and the meetings came to an end. The next annual meeting will be held at Murray, Ky.

Rain Storm.

Probably the heaviest rain for a year fell Thursday night. In the southern part of the county considerable damage was done by the washing away of bridges and fences. The smaller streams were much swollen and Little River was nearly out of its banks yesterday morning. Mr. Randle, the official weather clerk, says four inches of rain fell.

CRUDE OIL.

Money is made by keeping a barrel of Crude Oil on hand and using it on your hogs, and feed that you give them. It will cause your hogs to grow and prevent cholera and other diseases. If your horses have scratches, colic, flesh-cuts, or sprains, Crude Oil is the cheapest and best thing you can use. If your hen-house has mites in it saturate it with Crude Oil and you will soon be rid of them. If you have fire in your barn in a lot of the best and cheapest kindling you can get. If your barn has fleas in it use Crude Oil and you will soon have no fleas. Fence posts saturated with it to the beneficial results its use among hogs produce, I will say that in the years of 1897-8 I fed and handled about two thousand hogs in a lot of 12 acres situated on a hill and containing a pond and spring, and when needed I would empty a barrel of the pond, and the hogs would immediately rush into it and shortly afterwards shed off, looking like different hogs. I never lost a solitary hog out of the whole number on any kind of disease.

Price of Oil—Per barrel \$3; or five barrels for \$12.50, f. o. b. cars. Send check with order and it will receive prompt attention.

BOTH GAMES

Won From Cairo by the Hopkinsville Team.

The Browns won both of the games played in this city with Cairo this week. The Wednesday game was a brilliantly played shut out by the score of 2 to 0.

A young man named Simpson, from Oakland, Warren county was signed the day before and pitched for the locals. He had a choice assortment of curves and the Cairo batters were at his mercy. He struck out 6 men and allowed only 5 hits. Waggoner on the other side struck out 10 and was hit 6 times. The Browns were at their best and the visitors, desperate from the defeat of the day before, put up a great game. Neither side scored until the sixth inning when Meyers and Brady completed the circuit after a series of brilliant plays. Brady and Henderson made 2 hits each, and Barlow and Alexander 1 each. Barlow and Morris made some sensational catches and the only error on the Browns side was made by McAndrews who failed to stop a hot grounder.

Simpson proved to be a good pitcher, but he was so much puffed up over his game that he refused to reserve except at a price too fancy to consider. He left for Madisonville on a visit and will be suspended if he fails to return.

The team is now doing good work and will soon be in a much better position.

Hopkinsville lost the game at Princeton Wednesday, by the score of 7 to 3.

CHAT OFF THE BAT.

Umpire Keifer had an unusual decision to make at Saturday's game at Hoptown. Hoepfel, Princeton's first baseman, knocked a ball which struck the top of the fence and bounced against the top of the bus standing on the outside and rebounded back into the field where Brady got it and stopped "Him" at second. But Keifer called it a home run and allowed three runners to trot home.—Paduch Sun.

Those "tail enders" are not to be so mightily despised after all.—Cairo Bulletin.

This is the way the Cairo Bulletin explained the loss of Tuesday's game: "Umpire Zinkins 'bossed' the game and several times narrowly escaped being mobbed by the Giants because of the rottenness of his decisions. It was thought here at one time tonight that if Zinkins came out on the field tomorrow to umpire the game the Cairo bunch would leave the grounds, but it is now understood that they have decided to stick it out and appeal to the heads of the league for a change in that official as soon as the series here is finished.

"Smith managed to keep what was secured off him well scattered but it is thought the game would have been reversed for the local team were it not for the fact that it was thrown to them by the umpire."

BIG CROWDS

Will Witness the Unloading "Act" Sunday.

The Kentuckian had rather teach boys the Deafology than tell them anything that would cause them to desert the Sabbath, but there is one thing that cannot be hid from them—they can scent it "afar off." You might as well try to hide the sun with a pocket handkerchief as to keep them from seeing a show train unload. Mothers are hereby warned to keep their children at home next Sunday, all day. Keep both eyes on them, for the carnival train comes in over the L. & N. about 7 or 8 o'clock, and Van Amburgh's show will come over the same road. Now, mothers, if your boy gets up before you do, does without his breakfast, and even his dinner, don't blame this paper. We have done our duty, you do yours—and perhaps you had better watch your husband, too. The girls are all right.

McCLENDON-CHILDRESS.

Pretty Home Wedding Near the City.

Mr. Rutus McClendon and Miss Annie Childress were united in the holy bonds of wedlock Wednesday evening at 8 o'clock at the beautiful country home of the bride's parents, Mr. and Mrs. J. G. Childress, who reside 3 1/2 miles West of Hopkinsville on the Cadiz pike. The parlor was beautifully decorated with ferns and cut flowers. The bride was beautifully attired in white Paris muslin and carried bride's roses. She is beautiful and attractive and is loved by all who have the pleasure of her acquaintance.

The groom is a son of Mr. and Mrs. J. D. McClendon, and is a prosperous young farmer. The bridemaid was Miss Nora Eva Petty, of Sedalia, Mo., who was also attired in white Paris muslin and carried a beautiful cluster of white roses. Mr. J. L. Edwards, of near Hopkinsville was best man and wore the conventional black, as also did the groom.

The wedding presents were numerous, beautiful and valuable, while the house was filled to overflowing with intimate friends and relatives of the contracting parties. Rev. H. D. Smith performed the ceremony in a beautiful and impressive manner. After the ceremony the bridal party retired to the beautiful country home of Mr. and Mrs. Dan Claggett, where a delicious lunch was served.

After June 11 Mr. and Mrs. McClendon will be at home at residence of the groom's parents near Hopkinsville.

INTERESTING ITEM.

At Head of Show Managers is This Experienced Showman.

The many years devoted exclusively to the show business by Mr. Van Amburg placed him at the very head of show managers in this country. Having accumulated a fortune in the show business while yet a young man, he saw it swept from him in the Chicago fire. With the assistance of friends who knew his ability and integrity, he had his show on the road again the next season, larger and better than ever, and to-day has the best tented show traveling. Many remember in years past visiting the great Van Amburg show, and that they always had the satisfaction of knowing they got the worth of their money. After years of successful show business, it is his aim in life to sustain his well-earned reputation by giving the public an amusement of which he is justly proud. This show will give two performances in Hopkinsville on Monday, May 29, one at 2 o'clock in the afternoon and the other at 8 o'clock in the evening. The free outdoor exhibitions given at the show grounds immediately after the grand free street parade, are worth going miles to see.

Tobacco Lily.

Mr. Will Hancock is the latest contributor of natural freaks to the Kentuckian. Thursday he sent us a queerly shaped tobacco "leaf." It is not a leaf, but looks like a brown lily. It has four main stems and connecting fibres for each stem. In handling a lot of tobacco Wednesday Mr. Ragsdale found a "hand" of tobacco tied with it. Of course it is nothing but a freak of nature, but nothing like it has ever been seen by tobacco men. You can see it in the front window of the Kentuckian office.

Miss Nell Donaldson also contributed to the pleasure of the occasion by a solo. Mr. Dodd demonstrated his high culture as a musician and his thorough mastery of the organ. Mr. and Mrs. Dodd were the guests of Mr. E. B. Long while in the city.

THE CONTEST

For the Most Popular Young Lady Very Uncertain.

The way in which leading favorites in the contest for naming the most popular young lady in the county are holding their own gives but little hope for those at the bottom of the list, and unless the friends of those at the bottom of the column have a lot of votes in reserve, one of the three in the lead will certainly be the winner. There is no question but that there is a big surprise to be sprung on the public before the final count is made, but whether it will help any of those in the lead are not permitted to say. Below is given the last count, made Friday afternoon:
